SUBJECT : The Aftermath of Hungary

25X1A9a 1. Attached are two copies of an article of approximately 800 words prepared by  of this office in response to your request. I shall take the blame for the title "When Will They Learn" which your correspondent may, of course, just as gratuitously discard.

2. I am also sending along a copy of a recent USIA unclassified study which discusses the disaffection, disaffection, and defection among Western European Communists and fellow-travellers. This latter summary may be used in any way you see fit and may be given to the Japanese correspondent if you so desire.
